

SMART ENTRANCE.
CLEANER SPACES.

Pinnacle JD Smart+ is the perfect cost-effective entrance flooring solution for building in moderate use such as offices, shops, hotels, banks and retail outlets, and where colour and design specification is often as critical as dirt stopping capabilities.

Pinnacle JD Smart+ can be recessed or surface mounted, either in a ramped frame or to butt level with a surrounding carpet. Varied tread infills can be specified individually or in combination, along with our unique open vinyl spline.
